### **SPONSORSHIP OPPORTUNITIES**

#### **Background on Jaden's Ladder and the 2006 Jazz Concert Event**

Nearly one in three American women report that they have been victims of domestic violence (Commonwealth Fund Survey, 1998). More than ever, these survivors are relying on shelters and non-profit organizations to help them to make the difficult transition from abusive situations to safe environments.

Jaden's Ladder, a 100% volunteer, 501(c)(3) non-profit organization, is helping to fulfill this critical need. We assist survivors of domestic violence with life enhancing post shelter programs and support that build confidence and foster self-reliance. Working with area shelters, Jaden's Ladder provides post-shelter care and guidance to ensure that survivors are empowered to take back their lives and become active and vital members of the community.

With regional chapters based in Rye, New Hampshire and Atlanta, Georgia, we've touched countless lives, thanks to the support of local communities and several endorsements, including Andruw Jones of the Atlanta Braves. To continue to support the Northeast chapter and raise funds for our families, Jaden's Ladder will be offering a private fundraiser on the evening of Saturday, August 5, 2006. The event promises to be a wonderful evening filled with great music, a 3-course dinner, a live auction and more... all for an important cause.

We would like to request your support of the New Hampshire chapter by agreeing to sponsor, donate or volunteer for our August, 2006 event. Further details on the event can be found on the attached document. To learn more about how you can get involved, please contact Jaden's Ladder at 877.430.1118 or 603.430.1118. We hope you'll find our organization to be a worthy cause, fulfilling a critical need in the community. We look forward to seeing you at the upcoming event!
